- Lecturer in Architecture (from August 2015 to September 2018), School of Built Environment, University of Salford
- Lecturer in Community Planning (from September 2009 to September 2010) at the University of Ulster, UK

Academic leadership and **International reputation** gained through the years are evidenced through regular invites as speaker, chair, external examiners in several countries and for a wide range of institutions, organisations and associations, including among the others:

- 10th December 2021, invited to talk to the e-Lecture Series “Cities of the World”, University D’Annunzio Chieti-Pescara (Italy), on “London. Sustainable Planning and Urban Regeneration”.
- 6th July 2021, invited to speak to the TRANSCEND international stakeholders e-workshop on “Community Engagement in Planning”.
- Regularly invited to be interviewed on streaming on COP 16, LIVE @ClimateExp0
 - Let’s talk about [#COP26](#) @SalfordUni with Dr Claudia Trillo [#COP26Universities](#) – 2nd November 2021

<https://www.youtube.com/watch?v=zRH2wqwuAqQ>

- LIVE @ClimateExp0 – 20th May 2021

<https://www.youtube.com/watch?v=H6Y5iQ84IDs>

- [#COP26](#) Under Review - What happened in the final few days? [#ESRCFestival](#) – 15th November 2021

<https://www.youtube.com/watch?v=VDNyxGcg3nw>

- 10th December 2020, invited to talk to the e-Lecture Series “Cities of the World”, University D’Annunzio Chieti-Pescara (Italy), on “Manchester. From cradle of the industrial revolution to living lab for urban regeneration”.
- 3rd December 2020, invited to chair the e-webinar organised by the Nahrein Network on Basrah’s cultural heritage, <https://mediacentral.ucl.ac.uk/Play/70470>, Nahrein Network Channel Webinar Series.
- 30th January – 2nd February 2020: invited in Ankara by the University of Ankara (TK) as guest speaker and member of the Scientific Committee to the ICREDM2020, 2nd International Conference on Real Estate Development and Management.
- 12th October 2019: invited by the Royal Institute of Chartered Surveyors (RICS) to teach on a CPD in Leeds on the research findings on the assessment of socio-environmental impacts of housing schemes, 68 experts were exposed the assessment methodology.

<https://www.rics.org/globalassets/rics-website/media/training--events/conferences/cpddayleeds2019programme/>

- 30th January 2019: invited to join a workshop in Copenhagen to advise on the preparation of the Nordic Programme on Sustainable Urban Development and Smart Cities, by participating in a high-level cross-sectoral workshop arranged in Copenhagen by the NordForsk and the Academy of Finland. This workshop brought together cities, city networks from Nordic countries, and prominent urban researchers to identify knowledge gaps and research needs in urban research. The workshop produces a set of recommendations to the Programme Committee of a new Programme on Sustainable Urban Development and Smart Cities. The Research Councils from Finland, Norway, and Sweden have initiated the programme and aimed to open a call for universities, research institutes, and stakeholders. The Programme Committee is using the recommendations of the workshop when writing the Programme Memorandum and the call text.
- 25th October 2018 invited in Barcelona to give the Opening Lecture to the Master’s Degree in Landscape Intervention and Heritage Management at the Universitat Autònoma de Barcelona, with a talk on “Recycling Urban Industrial Landscapes and Heritage: Urban Regeneration in Manchester”.

Previous further invited speeches from previous years (selected) confirm a constant track record of evidence of international esteem.

- University Mediterranea Reggio Calabria (2018) *The Rise of the Co-Creative Class: Sustainable Urban Regeneration*, keynote address, presented @: *New Metropolitan Perspective*, Reggio Calabria, 22nd May
